In just over 1 hour from Brisbane you can find yourself at the luxurious haven ... Casa al Lago, just a picturesque drive from Brisbane and located in the mountain village of Montville close to Lake Baroon on the beautiful Blackall Range. Casa al Lago is located in a beautiful, peaceful & tree lined avenue, 5 minutes walk from the Montville village. Set on 1 acre of lush landscaped gardens with lake views, this modern 3 bedroom sandstone home is comfortably nestled on the slopes of the magnificent Blackall Range in the Sunshine Coast Hinterland and close to the Pacific Ocean.

Location

Coming from Brisbane along the Gympie Highway heading to the Sunshine Coast, take the 'off ramp' to Landsborough and Maleny passing through Montville. Immediately arriving at the township of Montville, you will see a radio tower and turn off to the left to Lake Baroon. This is Western Avenue and Casa al Lago is located at number 40, just past the Lake turnoff.

If you are coming from Nambour, once you have passed through the township of Montville and heading towards Landsborough, Western Avenue is the last turn right at the radio tower on the edge of the township.

It is now time to kick off your shoes and pour a drink while you soak up the peace and beauty that surround you ...

Casa al Lago

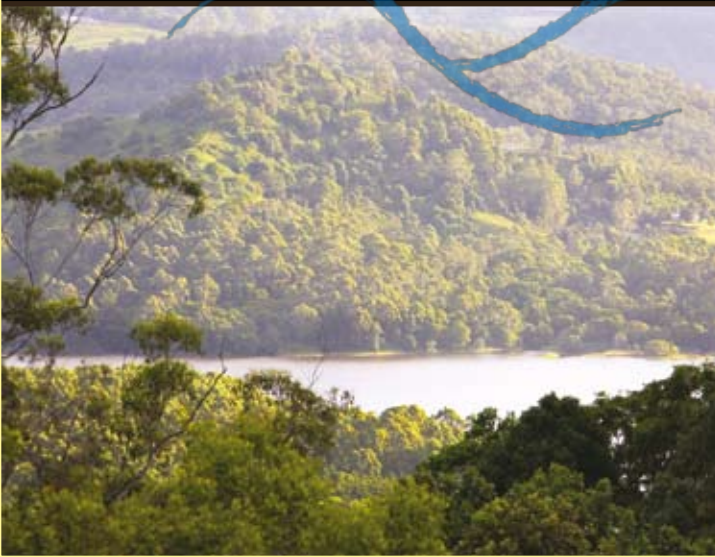

...comfort and relaxation

Casa al Lago.....

You are always very welcome at Casa al Lago where we offer you a luxury 'home away from home' to set the mood for a lovely break ... situated on an acre of landscaped gardens with lake views. Surrounded with contemporary quality furnishings designed for your comfort and relaxation, be assured of a very private retreat to unwind and leave the city behind...

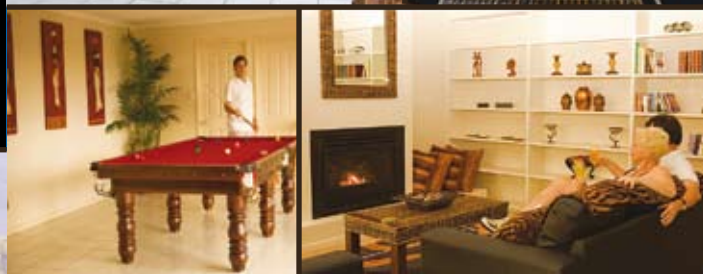

Casa al Lago or House by the Lake, is a double storey residence built in 1999 on a delightful property which is large enough to cater for most special events or gatherings ... to spread out, relax and recharge your batteries. It also offers all year round romance, elegance and style in accommodation.

Local Attractions

Many people travel to the Blackall Range just to visit the famous Montville Village which boasts a delightful range of fascinating shops and a variety of eateries which offer anything from a cup of coffee to a delicious meal. The Range also boasts four wineries, each of which are open to the public for wine tasting with Cellar Door Sales available. Also there are some excellent galleries on the Range offering a wide selection of work by local artists.

Attractions include:

Mapleton Falls National Park - where Pencil Creek cascades 120m over an escarpment to the valley below.

Kondalilla Falls National Park - cascades 90m into the valley below. Set on 327 hectares of National Park, there are a variety of walking tracks for all fitness levels.

Mapleton Lilyponds - originally created by a local resident the lilyponds feature abundant water birds. Set with a gazebo over the pond, it is perfect for a special picnic.

Boutique Cheese Factory.

Baroon Pocket Dam - spanning over 380 hectares, the dam is easily accessed by car and there is also a 2.4km walking track which leads from the car park into the Obi Obi Gorge, along a scenic rainforest trail.
